

Providing In-Depth Health Information

Wellness Health Education Network

Fast Facts:

- With your WHEN membership you will receive turnkey, educational seminars (meetings-in-a-box). These all-inclusive kits cover major health issues, disease prevention and care. Examples include:
 - Weight Management
 - Diabetes
 - Pain Management
- These kits are sent directly to your facility and contain everything needed for you or a staff member to successfully conduct educational meetings in a professional manner. Materials typically include:
 - **15-20 minute Educational Video**
DVD and/or PowerPoint slides on selected health topics
 - **Program Leader Guide**
Step-by-step instructions for conducting the seminar
 - **Publicity Materials**
Announcement posters, flyers, and press releases to encourage attendance
 - **Feedback Materials**
Evaluation forms that help WHEN to continue to provide high-quality, relevant educational materials, and to track seminar attendance
 - **Educational Literature**
Brochures and value-added items for seminar attendees
